Chicago Public Library Resources

Chicago Public Library Access

If you need access to books or computers, you can get a library card for free with an ID or a piece of mail verifying your Chicago address. If you do not have an address or ID, you can receive a day pass for the library by asking the front desk at your library location. Day passes allow you to reserve a computer and access library materials

Chicago Public Library CyberNavigator

The Chicago Public Library offers tutoring sessions for people who need help with technology. If you need guidance on how to access the internet, email, online job searching, or other computer services, visit <https://www.chipublib.org/computer-help-cybernavigator/> or visit your local library for assistance.
