INDEPENDENT AUDITORS' REPORT

To the Board of Directors
CHICAGO HELP INITIATIVE
Chicago, IL

We have audited the accompanying statement of assets, liabilities and net assets - modified cash basis of The Chicago Help Initiative (the Organization) (an Illinois not-for-profit organization) as of June 30, 2023, and the related statements of revenues, expenses and change in net assets, statement of functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud, or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the statement of assets, liabilities and net assets - modified cash basis of The Chicago Help Initiative (the Organization) (an Illinois not-for-profit organization) as of June 30, 2023, and the related statements of revenues, expenses and change in net assets, statement of functional expenses, and cash flows for the year then ended on the modified cash basis of accounting as described in Note 1.

Basis of Accounting

We draw attention to note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

CHICAGO HELP INITIATIVE
NOTES TO FINANCIAL STATEMENTS - CASH MODIFIED BASIS
FOR THE YEAR ENDED JUNE 30, 2023

1. NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Chicago Help Initiative (CHI) is a not-for-profit organization formed in 2011 by institutional and volunteer leaders striving to promote and atmosphere of dignity and compassion toward those in need providing access to food, health services shelter and employment. CHI works to educate local business and residents as to how they can help ease the plight of the homeless, disadvantaged and out of work individuals and improve their well-being, self esteem and productivity.

The following summarizes the significant accounting policies and practices reflected in the accompanying financial statements:

Basis of Accounting

The accompanying records of the Organization are maintained on the modified cash basis of accounting, which recognizes certain revenue and related assets when received, rather than when earned, and certain expenses when paid, rather than when the obligation is incurred.

Basis of Presentation

Financial statement presentation follows the recommendations of the Accounting Standards Codification (ASC), Financial Statements for Not-for-Profit Organizations. Under the ASC, the Organization is required to report information regarding two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Without donor restrictions - Net assets that are not subject to donor-imposed stipulations and may be expensed for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of management and the board of directors.

With donor restrictions - Net assets subject to donor-imposed stipulations. Some donor restrictions are temporary in nature; these restrictions will be met either by actions of the Organization and/or the passage of time. Other donor restrictions are perpetual in nature, where the donor has stipulated the funds be maintained in perpetuity.

Cash and Equivalents

For purposes of the statement of cash flows - modified cash basis, the Organization considers all highly liquid investments available for current use, with an initial maturity of three months or less, to be cash equivalents.

1. NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:
(Continued)

Concentration of Credit Risk

The Organization places its cash and deposits with high-quality financial institutions; however, deposits may exceed the federally insured limits from time to time.

Investments

Investments are carried at fair value. Realized and unrealized gains and losses are reflected in the statement of revenues, expenses, and change in net assets - modified cash basis. The fair values of investments are subject to fluctuation on a year-to-year basis based on general market risks.

Inventory

If present, inventory would be recorded at cost based on the first-in, first-out method of accounting and consists solely of finished goods available for sale. for the year ended June, 30, 2023 was \$0.

Property and Equipment

Property and equipment are recorded at cost and depreciated on the straight-line basis over their estimated useful lives from three to ten years. Upon sale or retirement, the cost and related accumulated depreciation and amortization are eliminated from the respective accounts and the resulting gain or loss is included in the statement of revenue, expenses, and change in net assets.

Donations of fixed assets are recorded as support at their estimated fair values at the time of donation. Such donations are reported as increases in net assets without donor restrictions unless the donor has restricted the use of the donated asset to a specific purpose.

Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as with donor-restriction support. For absent donor stipulations as to how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor, and reclassifies with donor-restriction net assets to without donor-restriction net assets at that time. Depreciation expense for the year ended June 30, 2023 was \$0.

(Continued)

Donated Services

Contributed goods and services are recognized if the services (a) create or enhance nonfinancial assets, or (b) require specialized skills, are performed by individuals with these skills, and would otherwise be purchased by the Organization. A substantial number of volunteers have donated significant amounts of time to the Organization and its educational programs; however, these donated services are not reflected in the financial statements since their services do not meet the criteria for recognition as contributed services. Donated services require special skills in the administration and fundraising of the Organization.

The following donated goods and services revenue and the corresponding expenses are included in the accompanying statement of activities:

	<u>2023</u>
Occupancy	\$ 0
Outside Services	0
Food and supplies	<u>13,028</u>
Total donated goods and services	<u><u>\$ 13,028</u></u>

Contributions

Contributions received are recorded as restricted support, depending on the existence and/or nature of any donor restrictions. Public support that is restricted by the donor is reported as an increase in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of revenues, expenses, and change in net assets - modified cash basis as net assets released from restrictions.

The Organization reports gifts of goods and equipment as net assets without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used, and gifts of cash or other assets that must be used to acquire long-lived assets, are reported as restricted support. The Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

1. NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:
(Continued)

Income Taxes

The Organization is a not-for-profit exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, the Organization is not subject to income taxes unless it engages in activities that are unrelated to its exempt purpose. No provision for income taxes has been recorded in the accompanying financial statements.

The Organization files income tax returns in the U.S. federal jurisdiction and Illinois. With few exceptions, the Organization is no longer subject to U.S. federal, state and local, or non-U.S. income tax examinations by the tax authorities for fiscal years before 2021. The Organization has no unrecognized tax benefits currently and does not expect any changes in the next twelve months.

Functional Allocation of Expenses

The financial statements certain categories of expenses that are attributed to a program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and benefits, utilities, and office expenses which are allocated on the basis of estimates of time and effort.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may vary from those estimates.

3. FAIR VALUE MEASUREMENTS:

The Accounting Standards Codification for Fair Value Measurements establishes a framework for measuring fair value. That framework provides a fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements) The three levels of the fair value hierarchy are described as follows:

Level 1:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets are liabilities in active markets that the Organization has the ability to access.

Level 2:

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NOTES TO FINANCIAL STATEMENTS - CASH MODIFIED BASIS
FOR THE YEAR ENDED JUNE 30, 2023

3. FAIR VALUE MEASUREMENTS: (Continued)

Level 3:

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Equities, ETFs and Mutual funds: Valued at the quoted market prices the individual securities are traded on.

Money Market: Valued at cost, which approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. Fair value measurements recorded on a recurring basis on June 30, 2023 is as follows:

<u>Description</u>	<u>Assets at Fair Value as of June 30, 2023</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
ETFs	\$ 0	\$ 0	\$ 0	\$ 0
Mutual funds	0	0	0	0
